2009 Barrie & Area Community Investments

United Way of Greater Simcoe County is building a better community by assessing needs, raising dollars and funding programs. By mobilizing financial and human resources, United Way of Greater Simcoe County supports critical social services in our communities. The lives of one in three people, more than 150,000 area residents, are touched by United Way of Greater Simcoe County funded programs and services. Here is an outline of the investment United Way of Greater Simcoe County donors made in Barrie for 2009.
